CHARTER SCHOOLS IN DISTRICT

School Name	Absolute Rating	Growth Rating	Adequate Yearly Progress
There are no charter schools in this district.			

REPORT OF SUPERINTENDENT

"Learning. Serving. Leading." This simple motto summarizes our district's mission and focused our work this year. We are committed to our profession, and we are blessed to have the opportunity to influence the lives of others.

This year a team of community and business leaders joined with school and district leaders to develop a new District Strategic Plan, which sets forth goals and action steps for our work with students over the next five years. The district will seek national accreditation through AdvancED, preparing for an accreditation visit in 2012. Accreditation is a set of rigorous standards and research-based processes for evaluating the district's organizational effectiveness to determine how well we are meeting the needs of students.

We are proud of our accomplishments. Ware Shoals Elementary received two Palmetto Silver Awards for success in closing the achievement gap. Ware Shoals High received a Palmetto Silver Award for closing the achievement gap, and Ware Shoals Primary made AYP (Adequate Yearly Progress). Graduating seniors of the Class of 2011 earned an impressive \$524,476 in scholarships. All schools gave students an opportunity to give back to the community in a variety of ways. Projects such as "Relay for Life" and "Christmas Is for Kids" served as important avenues for service and character education. We continued to improve our communication through PowerSchool, a web-based student information system. Parents and students may now access grades and attendance through our website (www.gwd51.k12.sc.us).

Several initiatives were launched in order to improve safety and school climate in our district:

All certified employees were trained in "Darkness to Light: Stewards of Children," a program to help educators identify and respond to signs of child sexual abuse.

Students were surveyed through "The South Carolina Bullying Prevention Initiative." The results helped identify potential bullying issues occurring in schools so that specific prevention measures could be implemented. Safety Audits were performed in each school in order to identify and eliminate potential hazards.

An Energy / Safety Committee met regularly to set goals and to review progress. The district completed all requirements of the Prevention and Risk Reduction program, earning an award for "Excellence in Risk Control."

Implemented "Alive at 25," a driver safety program that teaches responsibility behind the wheel, with the goal of preventing car crashes that claim lives. Installed a new video surveillance system at Ware Shoals High School.

We are fortunate to be part of a close-knit community, where we learn, serve, and lead together for the benefit of our students.

Dr. Fay Sprouse, Superintendent
